EMERGENCY FLOOD BUCKETS

Tackle flood damage with ease using the Flood Clean-up Kit. This all-in-one solution includes a 5-gallon bucket, 20-ounce mop head, 14-inch push broom, rubber floor blade, two 54-inch broom handles, hand brush, cellulose sponge, nitrile gloves, 3-ply mask, and powerful degreaser. With these high-quality tools, you can efficiently clean up water, debris, and stains from your floors and surfaces. The durable bucket and mop head make water collection a breeze, while the push broom and rubber floor blade remove excess water and dirt.

Safety is ensured with the nitrile gloves and 3-ply mask, and the powerful degreaser tackles tough stains. Be prepared for flood clean-up with the Flood Clean-up Kit and restore your space to its pre-flood condition quickly and effectively.

(600 lbs Capacity)

- **PATENTED DESIGN** - Our patented design eliminates the use of end bars along with the hassle that comes with setting up any military style cot.
- **STURDY DESIGN** - A foot pedal activates the tension bar installed at both ends of the cot and serves to keep the cot stable and taut. Our cot features a powder coated steel frame, 600 denier polyester fabric bed with reinforced stitching.
- **HIGH-GRADE FABRIC** - 600 denier polyester fabric bed with reinforced stitching. Each end of the cot's fabric bed has sewn on web straps that loop over the side rails.
- **EASY TO SET UP & PORTABLE** - Our cot unfolds in seconds! When you're done with using the portable cot, it folds back up in seconds & can be stored in the bonus carry bag.
- **STORAGE POCKET** - Keep all your stuff within easy reach. Our cots include a 15" zipper storage pocket.

SPECIAL NEEDS/ACCESSIBLE COT

Divergent has redesigned this specialty cot to align with the latest FEMA and ADA standards, ensuring accessibility and comfort for individuals with unique needs in emergency shelters. While retaining the trusted durability that has defined our products since 2008, we enhanced the dimensions and refined key features to provide greater ease of use. The result is a cot that is reliable, compliant, and cost-effective, supporting both emergency response or healthcare teams within the communities they serve.

SERVICES

DEBRIS REMOVAL

Our mission is to deliver immediate, reliable disaster assistance that restores infrastructure and accelerates recovery. We provide rapid-response services including debris removal, site preparation, skilled trades, and environmental remediation. Backed by a modern fleet and certified professionals, we serve federal, state, and local agencies with dependable, nationwide support.

SERVICES

ARMED SECURITY SERVICES

We offer quick-response security solutions for disaster relief, deploying trained professionals to secure sites, protect supply chains, and ensure operational continuity. Our expertise in emergency situations allows us to provide scalable teams that assist agencies, NGOs, and contractors in safeguarding people, assets, and resources during crises.

SERVICES

FOOD AND CATERING SOLUTIONS

We provide safe, nutritious, and dependable meals to communities and responders during crises. Our focus is on rapid-deployment catering services that support emergency personnel, displaced families, and vulnerable groups with dignity and compassion. By integrating logistical precision, food safety knowledge, and scalable operations, we guarantee that no one has to confront disaster on an empty stomach.

SERVICES

JANITORIAL AND CLEANING SERVICES

We create clean, safe, and productive spaces by offering reliable cleaning solutions that range from routine maintenance to disaster response restoration, all delivered with integrity and professionalism.
